Authorised representative Agreement № 011/26, 28 April 2026

This statement is based on a single evaluation of one sample of the above-mentioned product. The evaluation considers the design and type of the product and includes a risk assessment covering its intended use and any reasonably foreseeable misuse.

The manufacturer shall ensure that all products manufactured in series are in conformity with the product samples described in the test reports. The technical documentation is kept at the disposal of the authorised representative.

The manufacturer assumes sole responsibility for the safety of the product and for compliance with the requirements of the above-mentioned Directives and harmonized standards.

This declaration remains valid until the next review date or until any changes are made to the technical characteristics of the product or to the manufacturing process.

In the event of such changes, this declaration shall no longer be valid. Other applicable Union harmonization legislation shall also be observed.

Signed for and on behalf of the manufacturer by the authorised representative:
